Saturday 14th February - Upper Carboniferous Geology of Weardale with Dr Paul Williams

Saturday 9th May - The Carboniferous Geology of the Northumberland Basin with Dr Paul Williams

Saturday 23rd May - Saturday 30th May - The Geology of the Isle of Skye with Dr Paul Williams

Branch Events 2015

Sunday 22nd February - Seaton Sluice and Cullercoats

Sunday 22nd March - Shildon & High Coniscliffe

Saturday 11th April - Boulmer to Howick

Saturday 16th to Sunday 17th May - Keswick weekend

Saturday 13th June - Bowden Doors

Saturday 1st August - Palmer's Hill

Sunday 23rd August - Westgate

Saturday 19th - Sunday 20th September - Berwick weekend

October - Cheviots

November - Cowhill/Harthope Head

If you wish to attend any of our field trips please see the events section (left) for contact details and precise meeting places and times. It helps organisers/leaders if you let them know you are likely to attend so that no one gets left behind but do just turn up if the fancy takes you.

DIY Day Organiser: Karl Egeland-Eriksen (egeland-eriksen@hotmail.com)
